Re: **Bridge Closure on Moss Brook Road in the Town of Friendship over Moss Brook.**

Please publish the following as often as you can!

Please be advised that starting Tuesday morning August 15th, 2017, the bridge on Moss Brook Road over Moss Brook in the Town of Friendship **will be closed to all traffic**. This structure is located approximately ½ mile South of County Road 31 and will be closed for approximately 6 (six) weeks for replacement. **There will not be any on-site detour**, and local vehicle traffic is recommended to use alternative routes. **Truck Traffic must seek alternative routes that are not posted for weight restriction.** Thank you for your patience and anticipated cooperation with this project!!
