
Allegany County Coordinated Public Transit- Human Services Transportation Plan

The Key to Community Mobility!

Prepared by: Allegany/Western Steuben Rural Health Network, Inc.
For: United States Department of Transportation
Allegany County Board of Legislators
Allegany County Transportation Task Force
Date: July 2007

PREFACE

The Allegany County Transportation Task Force has prepared the following plan to provide documentation of past and current efforts toward the creation of a public transit-human services transportation coordination plan, and to provide the outline for future efforts to improve community mobility and quality of life for the citizens of Allegany County. This Allegany County Coordinated Public Transit-Human Services Transportation Plan, hereafter referred to as the Plan, is specifically prepared to comply with the regulations of the Federal Transportation Safe, Accountable, Flexible, Efficient Transportation Equity Act- A Legacy for Users (SAFETEA-LU) mandate.

SAFETEA-LU mandates that projects for three specific Federal Transit Administration (FTA) programs be derived from a “locally developed, coordinated public transit-human services transportation plan”. These efforts are being conducted in counties across New York State and will be adopted by the local governments and submitted to the US Department of Transportation (USDOT).

Table of Contents

I. Introduction

- A. Problem Description**
- B. Purpose of Allegany County Coordinated Transportation Plan**
- C. Allegany County Transportation Task Force (ACTTF) History**
- D. Allegany County Transportation Task Force (ACTTF) Mission/Vision**

II. Federal Transit Programs Legislation

- A. Legislation of Federal Transit Programs SAFETEA-LU**
- B. Definitions of Federal Transit Programs affected by SAFETEA-LU**
- C. Allegany County Federal Transit Programs directly affected by SAFETEA-LU**

III. Allegany County Demographic Profile

- A. General Description of Allegany County**
- B. Population**
 - 1. Total Population by Age Category**
 - 2. Total Population Geographically by Age Category**
 - 3. Population Trends**
 - 4. Individuals with Disabilities**
- C. Socio-Economic Breakdown**
 - 1. Income Levels**
 - 2. Poverty Status, Geographic Concentration**
- D. Educational Status**
 - 1. Educational Institutions**
 - 2. Educational Attainment**
- E. Employment**
 - 1. Employment Status**
- F. Vehicles**
 - 1. Commuting to Work**
 - 2. Vehicle Ownership**

IV. Research

- A. Needs Analysis**
- B. Unmet Needs Analysis**
- C. SWOT Analysis**
- D. Concept Mapping**
- E. Asset Mapping of Current Providers (Public and Private)**
 - 1. Inventory of Services and Resources**
 - a. Human Services Transportation Providers**
 - b. Public Transit Privately Owned**
 - c. Neighboring Counties Transportation Providers**
- F. Service Provider Operations and Capacity**
 - 1. Vehicle Fleet Status and Evaluation**
 - 2. Provider Interest in Coordination and Resource Sharing**
 - 3. Volunteers**
 - 4. GIS Mapping**
- G. Consumer Perspective**
 - 1. Consumer Survey Analysis**
 - 2. Focus Groups**
- H. Best Practice Models**
 - 1. Coordinated Transportation Methods**
 - 2. Coordination Planning Logic Models**

V. Developing the Mobility Plan

- A. Strategies for Development**
- B. Core Elements of a Mobility Management Plan**

VI. Implementation & Monitoring/Evaluation

- A. Strategies for Implementation**
- B. Logic Model and Measures for Monitoring and Evaluation**

VII. Allegany County Transportation Task Force

- A. Completed Activities**
- B. Membership**

VIII. Allegany County Transportation Workplan

IX. Appendix
