Tim Palmiter,

2016 Holiday Closure
Schedule

Every Monday -
November 11 (Veterans'
Day)-
November 24 & 25
(Thanksgiving)

Textile Recycling

We collect usable clothing, shoes, belts, purses, linens, blankets and drapes. All items need to be cleaned and bagged in plastic bags prior to coming to the transfer stations.

St. Pauly, a Rochester based company, collects all the clothing and distributes them throughout the U.S., Third World Countries and to Red Cross Disaster zones.

Trash Talk 2016

Volume 10, Issue 1

March 1, 2016

To our customers who pay-per-bag, please note that the following disposal fees will go into effect on April 1, 2016.

13 Gallon Bag: \$1 (unchanged)

30 Gallon Bag: \$3 (up from \$2)

55 Gallon Bag: \$5 (up from \$4)

Large Items (couch, mattress, etc.): \$5 (up from \$4)

Small Items (chair, table, sink, etc.): \$4 (up from \$3)

Minimum Scale Fee for waste disposal: \$20 (up from \$5)

Weight certifications for DMV registrations will remain unchanged at \$5.

As you're likely aware, the Allegany County Landfill will reach final design capacity during the spring or early summer of 2016. When the Landfill reaches full capacity it will be closed.

For the remainder of 2016 all of Allegany County's Transfer Stations will remain open to the public and everything will appear to be business as usual. However, it will not be business as usual. For the first time since 1987, waste collected at County owned transfer stations will be hauled to another private, or municipal, landfill instead of to our own landfill.

Beyond 2016, the future of the County solid waste disposal system remains uncertain. For example, should the entire County Transfer Station System remain open? Currently there are Transfer Stations located in Caneadea, Canaseraga, between the towns of Cuba & Friendship, at the County Landfill and in Alfred, Bolivar and Wellsville (see enclosed map). Should we continue to haul waste from the County's Transfer Stations to another landfill?

Or, should the entire County Transfer Station System be closed? If yes, then Allegany County residents would likely have to contract with private haulers for residential waste and recyclables collection.

Allegany County residents and taxpayers have approached the proverbial "fork in the road". Which way do you want to go? Become informed, consider your options and contact your District Legislator to share your thoughts and opinions because a choice must be made. Remember not choosing is NOT an option because, as some have said, "garbage never stops".

With final closure of the landfill on the horizon, we'd like to recognize the men and women who have worked so hard, for so many years, to provide our tax paying customers with a clean, well-run and cost efficient solid waste disposal service.

Allegany County Solid Waste 2016 Fees for Residents

Residential Permit Fees

Residential Hang Tag (April 1– March 31) (Tags are non-transferable)	\$150/Year
Lost Hang Tag Fee	\$100

Glass

Do Recycle:

Recycle all glass containers, bottles, and jars that are Clear, Green and Brown

Do Not Recycle:

Glass containing lead, such as auto glass and window glass cannot be recycled.

Metal Cans

Do Recycle:

Most metal cans we use everyday can be recycled. Recycle steel, tin and aluminum cans.

Do Not Recycle:

Aerosol cans, aluminum foil, pie tins or trays

Needle Disposal— Think Sharp

Proper disposal of medical syringes at home can prevent injury, illness and pollution. Allegany County DPW's Safe Syringe Program make syringe disposal easy and safe. Residents can receive FREE individual Sharp Containers at any County Pharmacy or any County solid waste facility. Household Sharps should be disposed at one of the 8 drop boxes located throughout the County.

Residents can also bring sharps in approved containers to all transfer stations (give to operator). All free containers include an attached label with the disposal locations and a

Household Hazardous Waste Day Scheduled for September

The Allegany County Department of Public Works is announcing their 17th annual Household Hazardous Waste Collection Day to be held September 10, 2016. The collection will be held from 8:00 a.m. to 12 noon at the County Landfill in Belmont. Some of the items accepted include oil based paints, insecticides, poisons, pesticides, solvents and pool chemicals.

Pre-registration is required and only Allegany County residents can participate. Common household products with warning labels that read danger, poison and caution are considered potentially hazardous and should not be casually thrown in the garbage.

For questions on household hazardous materials or to register for this years event give Tim Palmiter a call at 585-268-7282 or email palmitt@alleganyco.com
