

Allegany County Clerk/DMV Public Service Announcement

7 Court Street, PO Box 242, Belmont, NY 14813

Effective **Tuesday, May 25, 2021**, the Allegany County Department of Motor Vehicles will open its doors to **“Walk-In Appointments”** in addition to the existing appointment system. Walk-in appointments will be available to Allegany County residents ONLY.

However, individuals with pre-booked appointments will be prioritized over those with walk-in appointments. We ***always*** suggest that visitors schedule an appointment at alleganycountydmv.setmore.com. Appointment slots are typically available within two days or less.

Individuals showing up for walk-in appointments will sign in upon arrival with a DMV employee, who will assist with general questions and start filtering them into the service queue. Walk-ins will be asked to wait outside in their vehicles until they receive a text message from a DMV employee stating that a service window has become available.

No walk-in appointments will be given after 2:45 PM. There is no guarantee that walk-in transactions will be processed that day, as pre-booked appointments take precedence.

A drop box will also be available outside the DMV. Please feel free to call the Allegany County DMV with questions or concerns at (585) 268-9267.
