News Release: Allegany County Department of Health Offers Flu Shots

Pharmacies and healthcare providers throughout Allegany County continue to offer vaccinations including the flu shot. The Allegany County Department of Health (ACDOH) encourages residents to visit their local pharmacy, healthcare provider, or one of our clinics for their flu shot this season.

- Please wear a mask! Social distancing will apply at every clinic. Each group of household members will be asked to remain at least 6 feet from other groups.
Please wear short sleeves.
Please bring insurance cards with you. It is the responsibility of the insured to make sure the Allegany County Department of Health is within the insurance network and will cover the cost of the vaccine and administration fee. If insurance is not accepted, payment for the vaccine and administration fee will be billed to the patient. If you are paying cash: High dose flu for ages 65 and over is \$94. Regular flu is \$49.
Dates are dependent on the availability of flu vaccine
