Memorandum

TO: Allegany County Shared Services Panel Members

FROM: Tim Boyde, Allegany County Administrator

DATE: July 24, 2017

RE: July 26, 2017 Meeting

Just a friendly reminder of our scheduled meeting for July 26, 2017 at the BOCES Building in Belmont. We will begin promptly at 6:30 p.m. and will conclude no later than 8:00 p.m. As usual, light refreshments will be served.

You will find attachments with this email including the meeting agenda and an excel document reflecting the results of the potential areas for shared services. It is shown in several different formats to reflect the overall submissions followed by a breakdown of shared service interests by town and village.

We will use this information to form our small group discussion meetings. It is anticipated each group will convene, identify a group leader, and schedule subsequent meetings for continued discussion/progress.

Your continued interest and support of this effort is greatly appreciated. Please let Jodi know if you will be unable to attend or would like to identify additional topics for discussion.
