Re: **Bridge Closure: County Route #43 in the Town of Angelica.**

Please publish the following as often as you can!

Please be advised that starting Monday morning, April 3rd, 2017, the bridge on County Route #43 (a.k.a. Brentwood Camp Road), over Angelica Creek in the Town of Angelica, **will be closed to all traffic**. This structure is located approximately 970 feet to the South of the Old State Road and will be closed for replacement until approximately the first of October. **There will not be any on-site detour**, and local vehicle traffic is recommended to use alternative routes. **Truck Traffic must seek alternative routes that are not posted for weight restriction**. Thank you for your patience and anticipated cooperation with this project!!
