**SUBJECT OF EXAMINATION:**

**1. Coding/decoding information**

These questions test for the ability to follow a set of coding rules. Some questions will require you to code information by converting certain information into letters or numbers. Other questions will require you to decode information by determining if the information that has already been converted into letters or numbers is correct. Complete directions will be provided; no previous knowledge of or training in any coding system is required.

**2. Following directions (maps)**

These questions test your ability to follow physical/geographic directions using street maps or building maps. You will have to read and understand a set of directions and then use them on a simple map.

**3. Retaining and comprehending spoken information from calls for emergency services**

These questions test for your ability to retain specific information that is heard in calls for emergency service, such as a street address, or to comprehend spoken information from emergency service calls, such as determining the location of a site in relation to landmarks. Simulated 911 calls will be played on audio CD. Immediately following each call, candidates are given audio instructions identifying which questions they are to answer within the test booklet. The questions that candidates are directed to answer for each simulated call will not be in sequential order. Candidates will need to retain and comprehend the information and instruction provided in this portion of the test to respond appropriately to the questions asked and to determine which questions to answer. The time allotted to answer these questions will be limited. At the end of each answer period, the CD will automatically play the next call. Note paper will be provided. Candidates will be permitted to take notes and to refer to them when answering the questions.

**4. Name and number checking**

These questions test for the ability to distinguish between sets of words, letters, and/or numbers that are almost exactly alike. Material is usually presented in two or three columns, and you will have to determine how the entry in the first column compares with the entry in the second column and possibly the third. You will be instructed to mark your answers according to a designated code provided in the directions.

**5. Understanding and interpreting written material**

These questions test for the ability to understand and interpret written material. You will be presented with brief reading passages and will be asked questions about the passages. You should base your answers to the questions **only on what is presented in the passages and not on what you may happen to know about the topic.**

**The New York State Department of Civil Service has not prepared a test guide for this examination. However, candidates may find information in the publication "How to take a written test" helpful in preparing for this test. This publication is available on line at: <https://www.cs.ny.gov/testing/testguides.cfm>**

**Religious Observers – Disabled Persons:** If special arrangements for testing are required, please indicate this on your application form.

**VETERANS OR DISABLED VETERANS** desiring to claim additional credit may make application for such additional credit on their application for examination or at any time between the date of the application and the date of the establishment of the resulting eligible list. Veterans credit is added only to the score of the exam when the passing grade of 70 or higher is attained by the candidate.

**ADDITIONAL EXAMINATION CREDIT TO CHILDREN OF FIREFIGHTERS AND POLICE OFFICERS KILLED IN THE LINE OF DUTY** - In conformance with section 85-a of the Civil Service Law, children of firefighters and police officers killed in the line of duty shall be entitled to receive an additional ten points in a competitive examination for original appointment in the same municipality in which his or her parent has served. If you are qualified to participate in this examination and are a child of a firefighter or police officer killed in the line of duty in this municipality, please inform this office of this matter when you submit your application for examination. A candidate claiming such credit has a minimum of two months from the application deadline to provide the necessary documentation to verify additional credit eligibility. However, no credit may be added after the eligible list has been established.

**Use of Calculators is ALLOWED.**

This written exam is being prepared and rated by the NYS Dept. of Civil Service in accordance with Section 23-2 of the Civil Service Law. The provisions of the NYS Civil Service Rules and Regulations dealing with the rating of exams will apply to this examination.

**PERFORMANCE TEST** - A performance test will also be held at a later date, to be announced. The written test will be a ranking test and the performance test will be a qualifying (pass/fail) test. You must pass both the written and performance tests to be considered for appointment. You will not be called to the performance test unless you have passed the written test. Since the performance test is qualifying (pass/fail), if you pass the performance test your final score for the examination will be the score that you achieve on the written test. Candidates may be invited to the performance test in the order of the scores they achieve on the written test. The County reserves the right to give the performance test to only as many candidates as are needed to fill available vacancies. The test will be administered on a conventional personal computer (PC). You will be using a conventional PC keyboard, but you will not be using a mouse. The test consists of three parts, each preceded by a separate practice session. It will test your ability to enter the kinds of information that dispatchers and related personnel must process for fire, police and emergency medical services. You will not need any specific information prior to the test; rather, complete on-screen instructions will tell you all that you need to know in order to take the test. In order to pass, you must enter the data at a rate of at least 6,000 keystrokes per hour (which is equal to typing approximately 20 words per minute), with an accuracy rate of at least 97.5%.

**RETEST POLICY** – Upon receiving written notification of failing the performance test, candidates may make a request, in writing or by phone call, for a performance retest. It is the policy of Allegany County Civil Service Department that candidates to be retested must wait 30 days from their date of original testing. A candidate is allowed to retest one (1) time after their original performance testing.

**POLICY FOR WAIVER OF PERFORMANCE EXAMINATIONS FOR Emergency Services Dispatcher:**  
It is the policy of the Allegany County Civil Service/Human Resource Department that all candidates taking an exam for Emergency Service Dispatcher may request, in writing, a waiver for the performance examination. If you had passed a 911 keyboarding performance test administered by a local jurisdiction in New York State within one year of the written examination, the performance test may be waived. If you request a waiver, you must submit verifiable evidence of qualifying. Information submitted must contain the title, location, and the date of the performance test taken, as well as proof of passing.
