

Appendix Z - Allegany County Projects

Project Title	Where	Dollars needed	Who	What: Description
ACTT: Alfred Center for Technology Transfer	Alfred	\$ 7,000,000.00	Private/Public Partnership	Technology transfer into local industry and job development focused on Alfred but county-wide.
Alfred Town Hall Election Space Renovation Project	Alfred	\$ 265,000.00	Town of Alfred	Construction of a 30' x 55' addition to the Town Hall to accommodate the new election requirements.
Development and implementation of Revitalization Plan and initiatives in Alfred	Alfred	\$ 30,000.00	Private/Public Partnership	Market our local and regional resources; encourage Alfred businesses and institutions to coordinate their marketing strategies; lengthen cultural and educational calendar to summer season; improve appearance and design of the town's commercial district; promote retail development.
LED Lighting for Villages	Alfred	\$ 250,000.00	NYSERDA; Villages	Participation in Smart Street Lighting NY, converting street lights to LED technology by 2025.
Sugar Hill Dev Corp Sugar Hill Industrial Park Development Project, Phase 2	Alfred	\$ -	Sugar Hill Development Corporation	Development of industrial park (construction of infrastructure, single and multi-tenant buildings)
Water Tank Placement on Sugar Hill	Alfred	\$ 900,000.00	New LDC	Backup water reservoir for Village & Town; 2 college campus's and businesses
Upgrade to wastewater treatment plant	Alfred	\$ 5,000,000.00	Village of Alfred	Upgrade plant to Chesapeake Bay requirements
Wastewater Treatment Sludge Digester Renovation	Alfred		Village of Alfred (NYS-DEC)	Lacking affordable financing
Business Development Assistance	Alfred	\$ 250,000.00	Village of Alfred	Provide funding and equipment purchases associated with an expansion of an advanced ceramic manufacturer into the Alfred area. Will also include improvements to other small business exteriors and help with ADA-compliance access.
Reconstruction of Route 244	Alfred	\$ 1,625,000.00	Town and Village of Alfred	Design, engineering and construction of a multi-modal, pedestrian friendly roadway that promote walkability and connect community assets in the Town and Village.
Main and University Streets Improvements	Alfred	\$ 625,000.00	Village of Alfred	Construction of new placemaking features in the Village including restoration of recreational amenities, as well as preservation of the terra cotta roof and building features
Small Wind Laboratory Project	Alfred	\$ 562,000.00	Alfred State College	Laboratory Project to teach students how to work on them and build them.

Appendix Z - Allegany County Projects

Project Title	Where	Dollars needed	Who	What: Description
Low Tech Incubator in a hub community	Alfred at Sugar Hill	\$ 400,000.00		Create a low cost, highly flexible, office and manufacturing space.
Sustainable Advanced Manufacturing Centers in Alfred & Wellsville	Alfred, Wellsville	\$ 4,000,000.00	Allegany County IDA/Alfred State College/Alfred University	Create new technology Transfer project wherein manufacturing facilities that utilize sustainable technology will be implemented.
Online Energy Monitoring for AU/ASC Campuses	Alfred - Wellsville	\$ 1,200,000.00	Alfred University; Alfred State College	A unified system to monitor usage and determine where improvements can be made.
Feasibility of adding renewable energy systems analysis	Alfred-Wellsville	\$ 50,000.00	Alfred University; Alfred State College	Student Service learning Project where students would do a sustainability project for a company and help determine feasibility of adding renewable energy systems.
Allen Old State Road Paving Project	Allen		Town of Allen	Reconstruction of Old State Road to NYS standards
Street Name Signs	Allen	\$ 26,575.00	Town of Allen	Replace all street name signs at every intersection on the roads in the Town.
Allentown School Renovation and Reuse Project	Alma	\$ 3,000,000.00	Town of Alma, Office of Development, Volunteer groups.	Renovate and rehabilitate the school that was built in the early 1900's and reuse for new office, housing, community space. Consider the possibility of reuse by demolition as well.
Road repair, surface, etc.	Alma		Town of Alma	Various Road Repairs throughout the Town
Underground Drainage	Alma		Town of Alma	Replace drainage structures
A New Almond for a New Millennium Project, Phase 1	Almond	\$ 30,000.00	Town of Almond	Zoning, subdivision and master plan update project
Almond Beautification Project	Almond	\$ 5,000.00	Town of Almond	Welcoming (living) signage, downtown/Route 21 beautification/enhancement
Wastewater System Improvements Project	Almond	\$ 2,000,000.00	Village of Almond	Improvements to wastewater system
Almond Water Districts	Almond	\$ 75,000.00	Town of Almond	Creation of water districts in the Town
Prior Road Rebuild	Almond	\$ 100,000.00	Town of Almond	Rebuild Prior Road
Greg Norton Memorial Park Restoration	Almond	\$ 200,000.00	Alfred Almond Community Sports Association	Restoration of the park will be done in phases and will include new playground equipment, new fencing, upgrades to the basketball court, and installation of cameras.
Water Project	Almond	\$ 600,000.00	Village and Town of Almond	Expansion of the village water system into the town of Almond.

Appendix Z - Allegany County Projects

Project Title	Where	Dollars needed	Who	What: Description
Genesee River Wilds Pocket Parks	Along the Genesee River	\$ 400,000.00	Genesee River Wilds, Inc.	Create two pocket parks, one at Trout Run in Wellsville and the other in Houghton, to provide additional river access.
Crossroads Business Park Foreign Trade Zone / Sub-zone Project	Amity	\$ 45,000.00	Allegany County Industrial Development Agency	Designation of foreign trade zone or sub-zone at business park
Crossroads Business Park Hotel Development Project	Amity	\$ 15,000,000.00	Allegany County Industrial Development Agency	Construction of hotel to serve business park
Crossroads Water Tank	Amity	\$ 1,000,000.00	Allegany Crossroads Development LDC	This is a project contingent on development based on water & sewer needs.
Genesee River Wilds Park	Amity	\$ 300,000.00	Genesee River Wilds, Inc.	Create a large river access park at the Crossroads site in Belvidere along the Genesee River
Andover Downtown Economic Development Project	Andover		Village of Andover	Development of incentives to attract business
Andover Main Street Project	Andover	\$ 75,000.00	Village of Andover	Transportation enhancement program, streetscape, one block of Main Street
Andover Municipal Building Project	Andover		Village of Andover	Construction of new municipal building to house municipal offices, boardroom, police, & garage
Andover Wastewater System Improvements Project	Andover	\$ 1,000,000.00	Village of Andover	Improvements to wastewater system
Perkins Road Rehab	Andover	\$ 300,000.00	Town of Andover	Rebuild due to increased traffic
Public Sewer System	Andover	\$ 1,950,000.00	Village of Andover	Village presently utilizing on-site septic systems and need a new municipal sewer system
Quigg Hollow Bridge	Andover		Town of Andover	Urgently needed
Senior/Public Housing	Andover	\$ 7,500,000.00	Village of Andover	Construct a new public housing facility
Storm Water Sewer System	Andover	\$ 6,000,000.00	Village of Andover	Design and construct storm water system
Andover Public Water Project	Andover	\$ 11,200,000.00	Village of Andover	upgrade to a new surface water source and build a new water treatment plant with upgrades for transmission and distribution.

Appendix Z - Allegany County Projects

Project Title	Where	Dollars needed	Who	What: Description
Sidewalks Replacement	Angelica	\$ 400,000.00	Village of Angelica	Replace all sidewalks as needed and create sidewalks in new areas for safety, walkable community, tourism, visually pleasing status.
Angelica School	Angelica	\$ 2,250,000.00	New LDC	Complete restoration/renovation for multi-purpose/multi-tenant facility
Creation of a New State Forest in Allegany County	Angelica		NYSDEC	This phased project will include purchase of 600+ acres of private land that will be converted into State Forest.
Belfast Water Distribution Project	Belfast	\$ 2,000,000.00	Town of Belfast	Extension of water distribution system southward on Route 19
Belmont Water Distribution Project	Belmont	\$ 900,000.00	Village of Belmont	Extension of water distribution system northward on Route 19
Belmont School	Belmont	\$ 7,500,000.00	New LDC	Complete restoration/renovation for multi-purpose/multi-tenant residential campus
Playground Project at Wilmac Park	Belmont	\$ 50,000.00		Provide playground equipment for older children and build a pavillion for family functions, reunions, etc.
General Mercantile	Birdsall	\$ 300,000.00	Town and private businesses	A place for townspeople to gather, sell custom creations, purchase necessities to include: basic hardware, food, goods, gas/fuel, mechanics, tools/supplies, penny candy/ice cream cones, community garden plot, car-wash, first aid supplies, stamps, etc. Modeled on the Niles Olson's on Little House on the Prairie.
Sand/Salt Storage, Town Hall Drainage/Paving	Birdsall		Town of Birdsall	Build a new storage facility with drainage and paving
Moore Memorial Renovation	Bolivar		Village of Bolivar	Addition of new changing rooms, rest rooms, refinished the pool. Plans to market as a county asset and future revenue tool for the Town and Village
Pool-to-Park Walking Path	Bolivar		Village of Bolivar	Path that would connect Moore Memorial Pool to Shaner Park
Wayfinding Signage and Street Signs	Bolivar		Village of Bolivar	Installation of new street signs that are unique to Bolivar, plans to include the Bolivar Brand on them; installation of wayfinding signage throughout the Village
Pocket Park	Bolivar		Village of Bolivar	Landscape and complete construction of the pocket park on Main Street
Bolivar Water System Upgrade Project	Bolivar	\$ 790,000.00	Village of Bolivar	Water system upgrade project, including new transmission, storage, intra-connect, storage, etc.

Appendix Z - Allegany County Projects

Project Title	Where	Dollars needed	Who	What: Description
Water Reservoir Renovation	Bolivar	\$ 200,000.00	Village of Bolivar	Updates to the Water reservoir
4" Water Main Replacement	Village Streets	\$ 150,000.00	Village of Bolivar	Replacement of a 4" watermain
Richburg-Bolivar Pleasant Valley Water Project	Bolivar-Richburg	\$ 5,000,000.00	Villages of Bolivar and Richburg and Towns adjacent.	Filter water; new wells, added volume and backup; upgrade lines and hydrants
Repair of bridges on Narrows Road	Burns		Town of Burns	Flagged several times in the last five years.
Town of Burns Clean-up Program	Burns	\$ 20,000.00	Town, volunteer groups	Encourage home owners to clean up their properties. Establish a sense of pride in the community.
Downtown Revitalization: Downtown shopping opportunities development	Canaseraga	\$ 50,000.00	Private/Public Partnership	Development of stores where locals can shop for mid-priced gifts, artists, craftsman and other types of stores in downtown Canaseraga
Flag Pole Signs	Canaseraga	\$ 5,000.00	Village of Canaseraga; volunteer groups	Custom screen printing of pole flags for different seasons and events throughout the year.
Village of Canaseraga Park	Canaseraga	\$ 100,000.00	Village of Canaseraga	Improve kitchen, walking path, lighting, walking bridge over creek, acquisition of more land
Canaseraga Water System Upgrade	Canaseraga	\$ 2,000,000.00	Village of Canaseraga	upgrade the water distribution system
Canaseraga Trail system development	Canaseraga - Swain	\$ 500,000.00	Town of Burns, Town of Grove, Finger Lakes Trail, Interested parties	Develop trail system connecting Swain, Canaseraga, the existing Finger Lakes Trails to support trout stream access, hiking, possible equestrian access in certain areas.
Village of Canaseraga Welcome Signs	Canaseraga	\$ 8,200.00	Village of Canaseraga	Purchase and installation of Welcome to Canaseraga signs
Caneadea Town Park	Caneadea, Hamlet of Houghton	\$ 250,000.00	Town of Caneadea	Construction of the Town Park has commenced and Phase 1 has been completed. Phase 2 has commenced and includes construction of the playgrounds, placement of picnic tables and grills.
Riverbank Stabilization on Council House Rd	Caneadea	\$ 1,250,000.00	Town of Caneadea	Riverbank stabilization is required on the Genesee River at Council House Road
Creation of a Town Museum	Caneadea	\$ 90,000.00	Town of Caneadea	Reuse of a historical building in the Town of Caneadea as a town museum. It is currently unused and is an empty brick structure. Would require reconditioning

Appendix Z - Allegany County Projects

Project Title	Where	Dollars needed	Who	What: Description
Sidewalks	Caneadea		Town of Caneadea	Repairs are needed to existing sidewalks in the Town and expansion of the sidewalk system is also recommended.
Establish Wind Turbine Cooperative	Centerville	\$ 10,000.00	Town of Centerville	Legal fees for development of the Cooperative
Land Acquire.-w/new Town/Crt Off. & sand/salt shelter	Centerville		Town of Centerville	New Town Court office and Sand/Salt barn
Repair & upgrade of 4 miles of Fairview Road	Centerville		Town of Centerville	repair and upgrade 4 miles of Fairview Road
Repair of Dow Road	Centerville	\$ 75,000.00	Town of Centerville	Repair Dow Road
Repair of Two Bridges (culverts) on Fairview Road	Centerville	\$ 400,000.00	Town of Centerville	Repair 2 bridges on Fairview Road
School Street Drainage System	Clarksville		Town of Clarksville	Replace drainage on School Street
Wolf Run Culvert Replacement	Clarksville		Town of Clarksville	Replace culverts on Wolf Run
Electrical Loads Analysis	County-wide	\$ 100,000.00	Alfred University; Alfred State College	A project to identify the top five electrical loads of the county and reduce 10% of greenhouse emissions from these loads.
Agricultural Marketing Opportunities	County-wide	\$ 100,000.00	Private/Public Partnership	Beef, vegetable and fruit growers - food hub; local foods to school system/colleges
Agricultural Public Outreach Programs	County-wide	\$ 100,000.00	Cornell Cooperative Extension	Increase understanding of local residents, businesses and schools about agricultural issues and opportunities.
Allegany County Continuum of Care Project	County-wide	\$ 1,000,000.00	ACCORD Corporation	Housing project. to provide homeless, emergency shelter, child/elderly care, parenting/poor assistance
Allegany County GIS Development Project	County-wide	\$ 70,000,000.00	Allegany County Office of Planning	Update layers of digitization created prior to 1999 and other data layers
Allegany County Open Space Inventory and Mapping Project	County-wide	\$ 150,000.00	Allegany County Office of Planning	Development and compilation of open space information into GIS
Allegany County Septic System Integration Project, Phase 2	County-wide	\$ 60,000.00	Allegany County Office of Development	Input paper data for balance of County that is not completed into dbase & tie into tax map system
Allegany County Small Business RLF Project	County-wide		Allegany County Office of Development	Recapitalization of County Office of Development GOSC Small Cities small business loan fund

Appendix Z - Allegany County Projects

Project Title	Where	Dollars needed	Who	What: Description
Allegany County Yard Waste Composting Facility Construction Project	County-wide	\$ 500,000.00	Allegany County	Construction of County-owned yard waste composting facility
Biomass recover for farms and recycled materials	County-wide	\$ 50,000.00	Cornell Cooperative Extension	A project to educate the community of the environmental benefits of converting wood fuels to pellets and a program to develop pellets from recycled materials and farm wastes
Bridge Upgrades	County-wide	\$ 60,000.00	Allegany County	Repair or Replace
Broadband/Fiber Optic	County-wide	\$ 50,000.00	Southern Tier West	Complete the saturation of service to the remainder of the residences and businesses.
Complete Streets Planning and Implementation Program	County-wide	\$ 100,000.00	Cornell Cooperative Extension; various Villages and Towns.	Prepare a method for implementing the program in our villages and hamlets.
Food processing facility for organic/sustainable farming	County-wide	\$ 125,000.00	Private/Public Partnership	Humane slaughter, organic only processing facility in Allegany County to support farmers in the region
Glass Recycling project	County-wide	\$ 125,000.00	Allegany County DPW	The County loses money on glass recycling and could reuse this material as a road building material.
Highway Paving - 300 + miles	County-wide		Allegany County	Upgrade County owned highway
Main Street Renovations	County-wide	500K - 500K	New LDC	Multi-tenant/multi-purpose renovations along various Main Streets.
Minority and Women-Owned Business RLF Project	County-wide	\$ 4,000,000.00	ACCORD Corporation	Capitalization of a targeted revolving loan fund
Reduce waste disposal volumes while increasing recycled material volume	County-wide	\$ 30,000.00	Allegany County DPW	Increasing awareness and make more convenient to County residents of the importance of maximizing recycling efforts and reducing waste materials being land filled.
Renewable energy projects for public works	County-wide	\$ 100,000.00	Allegany County DPW	Analyze municipal owned projects such as wastewater, water filtration plants, landfill, etc for potential renewable energy projects and implement these.

Appendix Z - Allegany County Projects

Project Title	Where	Dollars needed	Who	What: Description
Reuse of existing underutilized facilities and properties [Brownfield's]	County-wide	\$ 150,000.00	Allegany County Office of Development	Inventory all facilities and determine which offer the best possibility of reuse. Undertake needed studies and secure funding to renovate, cleanup and prepare for new businesses to utilize these sites.
Small Business Micro RLF Project	County-wide	\$ 200,000.00	ACCORD Corporation	Capitalization of micro-business RLF
Biofuel Processing Project	County-wide	\$ 5,000,000.00	Private/Public Partnership	Fuel Pellet Manufacturing, willow use, switch grass or other materials.
Creation of a Tourism Awareness Program	County-wide	\$ 10,000.00	Greater Allegany County Chamber of Commerce and Office of Tourism	Develop a tourism awareness training program designed to create a better understanding for those in tourism sectors and help build the visitor's total experience. It is expected that local businesses will utilize the program during new employee orientations.
VanCampen Industrial Park Access Road	CR 20 S-Curve Site	\$ 750,000.00	Allegany County IDA	Create an access road at the VanCampen Industrial Park site and to the west to open County owned property.
Railroad Spur & Switch gears	CR 20 S-Curve Site	\$ 500,000.00	Allegany County IDA	Install switch gears and rail road spur near the Wagner Woods site to the area west for the open County owned property.
Wastewater Collection & Treatment Sys. Improve.	Cuba		Village of Cuba (NYS-DEC)	Project will include minor upgrades to equipment, back flow preventers; installation of a hydraulic pump.
Cuba Main Street Enhancement Project	Cuba	\$ 702,000.00	ACCORD Corporation	Façade improvement in downtown sections of Cuba to enhance economic development
Watersystem Upgrades	Cuba		Village of Cuba	Upgrades to the water system to include purchase and installation of backup generators at wellhouses, water main replacements, valve and hydrant replacements, reservoir tank maintenance, use of radio read water meters.
LED Lighting for Villages	Cuba	\$ 250,000.00	NYSERDA; Villages	Participation in Smart Street Lighting NY, converting street lights to LED technology by 2025.
Upgrades to Sidewalks in the Village	Cuba	\$ 1,250,000.00	Village of Cuba	Major overhaul of the Village sidewalks

Appendix Z - Allegany County Projects

Project Title	Where	Dollars needed	Who	What: Description
Replacement of aging equipment	Cuba		Cuba and Friendship	As a shared service Cuba and Friendship are purchasing replacement equipment including a street sweeper, sewer machine, back-up generators, refuse and recycling vehicles.
Cuba Hospital/Stonebridge Crossing [Independent & Assisted Living Complex]	Cuba	\$ 15,000,000.00	Cuba Hospital	Create new townhouses and apartments for elderly care directly related and controlled by Cuba Hospital
Cuba Landmark Connections to Greenway	Cuba	\$ 20,000.00	Village of Cuba	Complete the trails landmarks trail to the Genesee Valley Greenway
Friendship Water Project	Friendship	\$ 1,000,000.00	Friendship Water District	Upgrade the groundwater source, storage and distribution systems.
Friendship (Town) Wastewater Treatment Plant Upgrade Project	Friendship		Town of Friendship	Upgrade wastewater treatment plant per NYSDEC consent order
Friendship Downtown Revitalization Project	Friendship	\$ 400,000.00	Town of Friendship	Increase the number and quality of businesses in the downtown blocks of the Hamlet of Friendship. Renovation and streetscape projects are needed.
I-86 Rest Area - Green facility	Friendship	\$ 50,000.00	NYS DOT; Alfred State College	A project to take the existing rest area between exits 29 and 30 eastbound off the electric grid and provide electric and heat services through renewable sources.
Refuse Packer Replacement	Friendship	\$ 200,000.00	Town of Friendship	Purchase new garbage packer truck
Route 275 Backup Generator	Friendship		Town of Friendship	Purchase a backup generator
Route 275 Soil Erosion Project	Friendship		Town of Friendship	Fix erosion issues in the area of NYS 275 between Nile and Friendship
Street Signs Replacement	Friendship	\$ 66,500.00	Town of Friendship	Replace all signs within the Town of Friendship
Water Hydrant Replacement	Friendship		Town of Friendship	Replace approximately 15 water hydrants throughout the Hamlet of Friendship
Sewer Line	Friendship to Amity	\$ 6,500,000.00	Allegany Crossroads Development LDC	Service Sewer needs for new industry and retail back to Friendship

Appendix Z - Allegany County Projects

Project Title	Where	Dollars needed	Who	What: Description
Water Line	Friendship to Amity	\$ 2,000,000.00	Allegany Crossroads Development LDC	Supply water from Friendship for new industry, residential and retail
Friendship/Cuba Multi-Tenant Facility Project	Friendship/Cuba		ACCORD Corporation	Multi-tenant business incubator facility, including infrastructure service/site work
Fire numbers for the Town of Genesee for the Portville Fire District	Genesee	\$ 20,000.00	Town of Genesee and Portville Fire Dept.	The Town of Genesee lacks residential fire numbers and is served by the Portville Fire Department. Adding fire numbers would make it easier for the fire department to locate houses.
Ceptic Replacement at the Highway Department	Genesee		Town of Genesee	The Town of Genesee is working with the Allegany County Health Department to replace the septic system at the Highway Department building
Building Security at the Town of Genesee Facility	Genesee	\$ 1,000.00	Town of Genesee	The Town hall will be equipped with an up to date security system and will utilize cameras on the premises.
Upgrade to Town Facilities	Genesee	\$ 200,000.00	Town of Genesee	An addition is planned for the Highway department to provide more storage and work space; a new salt/sand storage facility will be constructed; and a new generator will be purchased.
Renovations for the Ceres Schoolhouse	Genesee, Hamlet of Ceres	\$ 250,000.00	BRAG Historical Society	Rehabilitation of 19th century schoolhouse that has the distinction of having both PA and NY students in the same building.
Granger Highway Sheds Renovation Project	Granger	\$ 250,000.00	Town of Granger	Renovation of existing highway department facility
Granger Salt Storage Facility Renovation Project	Granger	\$ 200,000.00	Town of Granger	Renovation of existing salt storage facility
Granger Town Hall Renovation Project	Granger	\$ 250,000.00	Town of Granger	Renovations to Town Hall
Town Hall Renovation	Grove	\$ 145,000.00	Town of Grove	Only lack funding and final bids
Swain - Canaseraga Sewer Mainline and Collection System	Grove & Burns	\$ 2,000,000.00	Allegany County IDA	Preliminary Engineering has been completed; when ready for Hotel or other major development then this is required.
New Highway Shop	Hamlet of Allentown	\$ 33,000.00	Town of Alma	Build new facilities for highway

Appendix Z - Allegany County Projects

Project Title	Where	Dollars needed	Who	What: Description
Hume Water Project	Hamlet of Fillmore	\$ 3,787,000.00	Town of Hume	Planning, design and construction of a force main and pump station, abandonment of existing sewage treatment plant to improve water quality in the Genesee River
Cold Creek Hazard Mitigation	Hume		Town of Hume	Complete hazard mitigation project on Cold Creek.
N. Genesee/W. Main Water Lines	Hume	\$ 58,000.00	Town of Hume	Install new water lines in the area of N. Genesee and W. Main Streets.
Town Hall/Court/NYSP	Hume		Town of Hume	Build new Town Hall and other community facilities
Exterior Building Repairs	Independence	\$ 65,000.00	Town of Independence	Repair and update exterior of Town building
Playground Project at the Little League Field	Independence	\$ 20,000.00	Town of Independence	Phase 1 includes purchase of playground equipment and additional seating at the Little League Field. Phase 2 includes purchase of a pergola and a pavillion.
Highway Department Maintenance Shop	New Hudson		Town of New Hudson	Build new Highway Department Maintenance facility.
Alle-Catt Wind Farms Windmill Project	Centerville/Rushford	\$ 70,000.00	Invenergy	This project will include 120 turbines, powering 105,000 homes annually. It is currently in development phase.
Drinking Water System Improvements	Richburg		Village of Richburg	Significant upgrades to the water system in the Village of Richburg
Waterlines	Richburg		Village of Richburg	Replace waterlines in the Village of Richburg
Rushford Lake District Wastewater System Project	Rushford	\$ 4,000,000.00	Town of Rushford	Construction of wastewater system
Rushford Spring Water Company Water System Project	Rushford		Town of Rushford	New groundwater source, new storage, upgrade and extend distribution system
Rushford (Town) Wastewater System Project	Rushford	\$ 2,000,000.00	Town of Rushford	Construction of / reactivation of wastewater system
Sand/Salt Storage	Scio		Town of Scio	Build new Sand Salt storage facility
Sidewalks	Scio		Town of Scio	Install new or replace sidewalks as needed
Wellsville Highland Creek Watershed Control Project	Wellsville	\$ 500,000.00	Village of Wellsville	Construction of new retention pond, pipes, and ditches to control storm water
Zero Energy Manufactured Home Assembly Facility	Wellsville	\$ 2,500,000.00	Alfred State College/Allegany County IDA	Create a manufacturing facility specifically to build zero energy homes using sustainable technologies.

Appendix Z - Allegany County Projects

Project Title	Where	Dollars needed	Who	What: Description
Burrous Building Renovation and redevelopment.	Wellsville	\$ 500,000.00	Alfred Housing	The Burrous Building was a multistory structure on Main Street that has been allowed to deteriorate over the last decade. It is a commanding facility that if renovated would bring positive growth to this part of Main Street Wellsville
Construct Salt Storage	Ward	\$ 175,000.00	Town of Ward	Pre-engineered unit purchased from local farmer for salt storage
Upgrade Town Hall	Ward	\$ 1,368,113.00	Town of Ward	Complete upgrades to the Town facilities
Various Street Projects	Wellsville	\$ 2,500,000.00	Village of Wellsville	Completion of mill and paving on several streets throughout the Village
Allegany County Recreational Center Project - Phase 1	Wellsville	\$ 3,200,000.00	Town of Wellsville	Construction of a community center building to serve the community, including youth and seniors
Allegany County Recreational Center Project - Phase 2	Wellsville	\$ 1,900,000.00	Town of Wellsville	Construction of convention center / indoor ice skating rink
Allegany County Recreational Center Project - Phase 3	Wellsville		Town of Wellsville	Construction of swimming and wading pools and recreational grounds
Barrelhouse Convention Center	Wellsville	\$ 8,000,000.00	Allegany Trails	Construct a new Convention center at the Barrelhouse located adjacent to the Wellsville SUNY Campus of Alfred State College including lodging, med/clinic, spa, pool, meeting space
Contruction of Runway Rehabilitation	Wellsville	\$ 1,940,000.00	Town of Wellsville	Complete the Runway rehabilitation
Runway Rehabilitation Design	Wellsville	\$ 165,000.00	Town of Wellsville	Complete design of the Runway rehabilitation
Salt Storage Facility for Village & Town	Wellsville	\$ 227,500.00	Village of Wellsville	Build a new Sand/Salt storage facility
Sewer Collection System Updates	Wellsville	\$ 2,000,000.00	Village of Wellsville	Complete various sewer collection updates and repair leaks
Town/Village Court Facility	Wellsville	\$ 4,250,000.00	Town of Wellsville	Update SEQR & Bid, Drawings have been done
Waste Water Treatment Plant Updates	Wellsville	\$ 10,500,000.00	Village of Wellsville	Upgrades to the Waste Water Treatment plant

Appendix Z - Allegany County Projects

Project Title	Where	Dollars needed	Who	What: Description
Water Distribution system extensions on Wightman Road and Truax area	Wellsville	\$ 1,500,000.00	Town of Wellsville	Extend the water service up Wightman Road to residences and down Truax Road to service remaining residences in that area to create a loop with the Village system
Water Distribution System Updates	Wellsville	\$ 1,500,000.00	Village of Wellsville	Complete various water system distribution updates
Water Supply Extension	Wellsville	\$ 1,000,000.00	Town of Wellsville (NYS-DEC)	Design complete and ready for submission
Water Treatment Plant Updates	Wellsville	\$ 500,000.00	Village of Wellsville	Upgrades to the Water Filtration/treatment plant.
Wellsville Highway Department Building Construction Project	Wellsville	\$ 2,100,000.00	Town of Wellsville	Construction of new highway department building complex
Wellsville Morningside District Wastewater Collection System Project	Wellsville	\$ 900,000.00	Town of Wellsville	Construction of wastewater collection system
Wellsville Route 417 East Water and Wastewater System Project	Wellsville	\$ 1,100,000.00	Town of Wellsville	Construction of water distribution & wastewater collection system 3 miles east on NYS Route 417 west
Wellsville Downtown Revitalization Project	Wellsville	\$ 2,600,000.00	Village of Wellsville	New brick sidewalks, new streetlights, and related improvements
Wellsville Airport Design RSA Improvements	Wellsville	\$ 167,000.00	Town of Wellsville	Undertake the RSA Improvements
Wellsville Parks & Recreation development	Wellsville	\$ 1,300,000.00	Town of Wellsville	Continue to develop Island Park recreational area as multifunctional activity area. Make this area a center point for recreation in the area.
Wellsville Airport Industrial Park Water System Project	Wellsville Airport		Town of Wellsville	Construct water distribution system to serve industrial park
Wellsville Airport Development	Wellsville Airport	\$ 100,000.00	Town of Wellsville; Allegany County Office of Development	Develop strategy to build out the business park and expand the possibility of encouraging the utilization of land around airport for other uses.

Appendix Z - Allegany County Projects

Project Title	Where	Dollars needed	Who	What: Description
