Justin D. Henry-Superintendent

Department of Public Works:

The Town Board of the Town of _____, by a resolution (attach copy of resolution to form) adopted _____ (Date), hereby request the County Superintendent of Highways of the County of Allegany, pursuant to Section 1660.4 of the Vehicle and Traffic Law, to evaluate the removal of the passing zone located on County Road _____ between _____ and _____, where it is the Towns belief that overtaking and/or passing in this area of concern would be especially hazardous in accordance with the standards set forth by the Manual on Uniform Traffic Control Devices (MUTCD) published by the Federal Highway Administration (FHWA).

Upon receipt of the notice, Allegany County Department of Public Works will perform an engineering study to verify current standards set forth in the MUTCD are being met and to verify if any especially hazardous conditions are created in meeting the standards. A copy of the engineering study will be provided to the Town once completed. If corrective actions are found to be needed, they will be made by Allegany County Department of Public Works.
